College coaches in and around the area will be invited to attend this regional showcase event. This provides you with a great opportunity to showcase your position-specific skills, including pitch consistency and arm strength using infield and outfield range and ability drills, hitting reps, and catcher throw downs. Since all drills will be performed in a small environment limited to 125 athletes, our showcase format is the perfect way to be seen.

At each regional event, the Futures scouts will also be searching for the 2008 adidas top 100 recruits. If you are selected, you will receive an invitation to attend the 2008 adidas Futures National Camp where you can perform with the nation's best fastpitch softball eligible recruits.
